147 FUNDING FOR COMMUNITY PROJECTS

There is a funding application deadline of the 22nd of February 2017 for the next round of Wren funding. The deadline after that is approximately 6 months away.

Members considered the following:-

A report from the funding / project committee.

Cllr. Cunningham reported that there were a range of funding sources that could support Phase 1: Football pitch; childrens play area and all-age fitness equipment.

Phase 2: Allotments that would require development funding and then could be self-sustaining.

Phase 3: A Parish Hall that would generate income from lettings but would require management.

A proposal to apply for a grant of £50,000 to cover phase 1 of the proposed Parish Project on land off Mabllins Lane. The application would be in the name of the Parish Council. The application would only pay out if the PC were to successfully get the land transferred from Cheshire East and if the funds were to be used for the proposed purpose.
