### MEMBERS OF THE PUBLIC ARE WELCOME TO ATTEND PARISH COUNCIL MEETINGS

There is an opportunity for residents to address Members under the 'Public Question Time' slot.

On occasions, members of the press and public will be excluded from the meetings  
when the business to be transacted is of a confidential nature;  
for example, dealing with individual people, contracts, and financial affairs of other parties.

## NOTES

### Members of the Public

The Parish Council welcomes and encourages members of the public to attend its meetings. You are requested to enter and leave quietly and to remain quiet during the meeting. Mobile phones and pagers should be switched off, and no food or drink should be brought into the meeting.

The Parish Council has a Public Question Time Procedure and members of the public are able to ask questions during the 10-minute slot in the early part of the meeting. In addition, if you feel there is a matter which should be brought to the attention of the Parish Council you may contact the Clerk, the Chairman, or any member of the Parish Council, and arrangements can be made to place the item on the agenda for the next meeting, if appropriate.

On occasions, members of the press and public will be excluded from the meetings when the business to be transacted is of a confidential nature; for example, dealing with individual people, contracts and financial affairs of other parties.

### Notice of Items

The Parish Council cannot lawfully decide any matter which has not been specifically included on the agenda, and there is case law to this effect (*Longfield Parish Council v Wright (1918) 88 LJ Ch.119*).

The law does not make provision for “urgent business” and if any matter is truly urgent because it must be dealt with before the next meeting, a special meeting should be arranged unless there are delegation arrangements in place to allow the Clerk to take certain decisions, in consultation with the Chairman. (S.101(1) Local Government Act 1972).

### Exclusion of Press and Public

It is sometimes necessary for individuals other than Members or Officers of the Parish Council to remain in a meeting when the public and press have been excluded. This will depend on the role of the individuals concerned; for example, if they have been invited to the meeting to offer technical or professional advice to Members. However, even in these circumstances, caution needs to be exercised as it would be difficult to hold such individuals to account if they subsequently divulged what was discussed at the meeting.

In the case of other individuals who simply have some background knowledge of the issue, it would be difficult to argue that they should be treated any differently from any other member of the public for the purposes of exclusion. It is important for Members not to allow themselves to get into a position where they are selecting who should remain in the meeting; this could lead to an abuse of procedure and bring the Parish Council into disrepute. It would also enable accusations to be made that some individuals were allowed to exercise undue influence.
