

## MINSHULL VERNON DISTRICT PARISH COUNCIL FREEDOM OF INFORMATION PUBLICATION SCHEME 2013

### Purpose of the Scheme

The scheme sets out the kinds of information which the Parish Council makes routinely available. This will be provided to anyone requesting it, within 5 working days. Unlike the 20 days allowed for formal "Freedom of Information" requests, the Parish Council provides the routinely available information either within a few working days, if hard copy, or if the information is available on the website, the person requesting the information will be referred to the website.

This scheme is based on the Model Publication Scheme to avoid any duplication where requests are made direct to the Information Commissioner.

### Charges

The charge for any information, if provided in hard copy, will be 5P per single-sided A4 sheet. However, the Parish Council has discretion to waive such charges.

### Scheme

The following table provides the classes of information which members of the public are entitled to see. This is based on the Model Scheme, and there are some items of information which the Parish Council does not hold.
