Dear Parish Councillors

Diamond Jubilee Celebration

I am writing on behalf of the school community to express our appreciation for your hard work in organising the Jubilee celebrations on Saturday, 2nd June. Everyone seemed to have a wonderful time and the community feedback has been excellent.

I am sure few people are aware of the months and months of planning that leads to such an event but the investment resulted in an old-fashioned community gathering that must have exceeded your expectations. I thought the family atmosphere was a credit to your astute planning and meticulous preparation.

On behalf of our children, the staff and governing body - I must also say thank you so much for the gift of the celebratory mugs. I am sure the children will cherish them. Your thoughtfulness in providing such a gift shows your total commitment to every member of the local community.

The local people are fortunate to have such committed councillors, willing to give freely of their own time and energy for the benefit of others.

Please contact me in the future if the school can support you with any events for the community.

Yours sincerely

Glyn Turner
