

# MOSS LANE

The Parish Council would like to take this opportunity to let all concerned know its stance in respect of traffic-calming on Moss Lane.

At the meeting held on 28 May 2012, it was RESOLVED, after discussing several options, eg traffic humps, “no through road”, that a one-way system be considered by Cheshire East Highways (CEC Highways) in consultation with local residents.

When the results of the CEC Highways survey are available, the Parish Council will support the wishes of residents.

Anyone who has any concerns is always welcome to attend any of the Parish Council meetings to voice their concerns. Meetings are generally held on the fourth Monday of each month – 7.00 pm start – and are held at St Peter’s Community Hall, Minshull Vernon.
